## **DETAILED ACTION**

### ***Notice to Applicant***

This communication is in response to the communication filed 02/07/2008.

Pending claim(s): 1-2, 5-6, 9, 13, 16, 20, 25, 27-28, 30-34, 38, 40-50, 58-69.

### ***Continued Examination Under 37 CFR 1.114***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 02/07/2008 has been entered.

### ***Information Disclosure Statement***

The information disclosure statement (IDS) submitted on 02/07/2008 is entered and considered by Examiner.

### ***Allowable Subject Matter***

Claims 1-2, 5-6, 9, 13, 16, 20, 25, 27-28, 30-34, 38, 40-50, 58-69 are allowed.

The following is an examiner's statement of reasons for allowance:

As per claim 1, the primary reason for allowance of this claim is the inclusion of the following limitations in the combination as recited:

- “the virtual clinic being associated with diagnostic centers, each diagnostic center having diagnostic testing equipment for generating diagnostic test results, a particular diagnostic center being other than a treatment-providing facility or a patient’s private home”;
- “obtaining particular diagnostic test results by the particular patient at the particular diagnostic center, the diagnostic center being administered by a non-medical professional”.

The closest prior art are as follows:

Sato (5911687) teaches a system capable of providing remote health care services to a patient (Abstract, Figure 1). Sato further teaches that the system is capable of providing health care to the patient at a plurality of medical facilities (column 2 line 52-55).

Nonetheless, Sato does not teach “a particular diagnostic center being other than a treatment-providing facility or a patient’s private home” and “the diagnostic center being administered by a non-medical professional”.

Bluth (6403897) teaches a health care kiosk capable of providing remote patient care (Figure 2).

Nonetheless, Bluth also does not teach does not teach "a particular diagnostic center being other than a treatment-providing facility or a patient's private home" and "the diagnostic center being administered by a non-medical professional".

Based on the evidence presented above, Examiner submits that the combined teachings of the prior art do not anticipate, or otherwise render obvious, Applicant's claimed invention. Therefore, the features of providing a diagnostic center at a non-medical facility outside of the patient's home and administering the diagnostic center with a non-medical professional, in the combination as recited, distinguish Applicant's claimed invention over the available prior art of record.

As per claims 2, 61-63, these claims are allowed for at least the same rationale as applied to claim 1 above, and incorporated herein.

As per claims 5-6, 9, 13, 16, 20, 25, 27-28, 30-34, 38, 40-50, 58-60, 64-69, these claims are allowed for at least the same rationale as applied to claims 1-2, 61-63 above, and incorporated herein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure, and was previously provided in the Office Action mailed 11/08/2007.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tran (Ken) N. Nguyen whose telephone number is 571-270-1310. The examiner can normally be reached on Monday - Friday, 9:00 am - 5:00 pm Eastern.
